## **YOUR RIGHTS IN HOUSING COURT DURING THE CORONAVIRUS OUTBREAK**

In response to the spread of the coronavirus COVID-19, the Housing Court has issued a “Standing Order” outlining the following changes:

1. **POSTPONED COURT DATES**: All pending eviction cases are postponed until *no earlier than Tuesday, April 21, 2020*. That means if your eviction case is currently scheduled for any date before April 21, you do not have to go to court. A party who wants a hearing before April 21 must file a motion showing good cause for an earlier date. You should receive notice of any new court date by mail.
2. **WHAT IF YOU MISSED COURT?**: If you are a tenant and a judgment for possession was entered by “default” against you between March 1 and April 21, you can file a motion to remove the default and the judgment “shall be vacated.”
3. **GET ADVICE BEFORE SIGNING AN AGREEMENT**: With the risks of homelessness or displacement during a public health crisis, if you are a tenant, *we urge you to get advice before signing any Agreement for Judgment*. Online information is available at [www.masslegalhelp.org](http://www.masslegalhelp.org). “Self-help” evictions or “lock-outs” are illegal. *It will likely be very difficult to find a new apartment during this crisis*. To help stop the spread of the virus, the Lawyer for a Day Program will *not* have a table set up during this time period. Legal Aid and volunteer lawyers will do their best to be available to help low-income parties who don’t have lawyers, either by telephone or e-mail. If you have questions about a pending eviction case and are low-income and without your own lawyer, you may contact the following paralegals for an intake/assistance:

**Lowell: Eden Chorm, Tel. 781-254-1265**

**Lynn: Lorraine Medrano, Tel. 781-244-1403**

**Lawrence: Myrta Cupeles, Tel. 781-254-2831**

4. **WHAT IF JUDGMENT ALREADY ENTERED AGAINST YOU?**: Please note that as of the date of this notice, there is NO ban on carrying out evictions pursuant to agreements *already signed* or judgments *already entered* by the Court if execution issues. A law proposing such a ban has been introduced in the Massachusetts Legislature and you can check online or call us for current status.
